ABOUT PATHWAYS

The purpose of PAHS is to guide students from an associate degree to baccalaureate and master's degree that will produce a Bachelor's Degree in Rehabilitation Studies and a Master's Degree in Rehabilitation Counseling. Our program provides:

- One on one case management and career assessment
- Culturally responsive, enhanced retention support;
- An accelerated yet, efficient educational pathway for Black and Latino(a) students to obtain a master's degree in vocational rehabilitation counseling.
